FISHING IN RIVER:

1) OPENING DATE IN 2023

Trout and minnows: from Saturday, March 18th to September 30th included.

Other fish: from Saturday, June 3th to September 30th included.

2) CLOSURES FOR INTERNSHIP OR COMPETITION:

Total closures :

The fishing is totally and strictly forbidden on the total domain of the company on Sunday 30th of April Competition Lure Challenge by team of 2.

Partial closures :

- Friday 5 and Saturday 6 May: the Amblève from its confluence with the Warche (pt 11) to the Rocher de Warche: children's course.
- Sunday 11 June: the Warche (pt 6 to 10) and the small Amblève (pt 1 to 5): round 1 of the Belgian Masters fly fishing championship.
- Saturday 08 July : the whole Amblève (pt 11 to 17): Amblève fly challenge - fly fishing competition.
- Friday 25 and Saturday 26 August: The Amblève in Stavelot from the place du 18 décembre (pt15) to the Bout du Monde (pt16): children's course.

- Warning: Fridays 21 April, 19 May, 16 June and 01 September fishing is also closed on the Amblève End of the World "au Bout du Monde" (Access 16 and 17) for stocking rainbow by the company of "Pêcheurs réunis de Trois-Ponts".

3) MEMBERSHIPS CARDS (obligation to have it before starting fishing):

- | | |
|---|------|
| - Annual card in all technics : | 75 € |
| - Annual card no-kill "fly and lure": | 50 € |
| - Junior annual card from the bank river and pond (child born in 2008 and later): | 25 € |
| And from the second child of the same household: | 15 € |
| - Card two consecutive days: | 30€ |
| - Daily card (except opening Saturdays and stocking): | 20€ |

ANNUAL CARD "All technics" / "Two consecutive days" / "Daily":

- Authorises access to all beats.
- Authorises the sampling of rainbow trout on all beats.

ANNUAL CARD NO-KILL fly and lure:

- Authorises access to all beats.
- Do not allow trout or any other species to be taken on all beats!
- Authorises fishing with flies and lures.
- Does not authorize fishing with natural baits (worm, moth, minnow, PowerBait "scent").

JUNIOR ANNUAL CARD = CARD FOR RIVER AND PONDS TOGETHER:

The provisions of the annual "all-technics" card apply to the JUNIOR card.

THE LICENCE OF THE WALLOON REGION IS MANDATORY (only on www.permisdepeche.be).

NOTICE :

- The membership card of the company is compulsory whatever the age is.
- **As annual member on the river, you benefit from a 30 euro reduction on the annual membership card “ponds”.**

4) PARTNERSHIP :

COMPANY OF THE FISHERMEN GATHERED BY BASSE-BODEUX-COO-TROIS-PONTS :

The beats of the End of the World (acces 16 and 17) are common to our two companies (reciprocity). To be in possession of a membership card of one of the two ASBL gives the right to you to go fishing there.

5) THE RIVERS INTERNAL RULES OF PROCEDURE :

WARNING: only SINGLE HOOKS ARE ALLOWED!

Fish captured – minimum size of the fish kept :

Brown Trout: NO KILL – CATCH AND RELEASE on all the company’s beats!

Rainbow Trout: must be taken (except NO KILL card) from all beats starting from 24cm (obligation from the law).

Minnow: Bottles forbidden at the risk of exclusion from the company. Collection allowed on all beats. The number of catches is limited to 20 a day and by fisherman.

Pike, Chub, barbel, loach, perch: no kill – mandatory release !

Grayling: no kill and fishing authorized only on the fly !

Eel: no fishing allowed!

In case of catching a “no kill” species or a species smaller than the size allowed, the fish must be immediately handed to the water carefully.

Number of catch and card of control :

Maximum 5 rainbow trout per day.

Maximum 40 rainbow trout per fishing season.

A card of control is annexed to every membership card. Upon your arrival at the water’s edge, you must write the date of the day before starting fishing (except no kill card).

Obligation of pointer every trout kept immediately on the card of control. After the 5th pointed fish, it is necessary to stop fishing, the day is over!

Authorized fishing technics:

HOOKS: TRIPLE AND DOUBLE HOOKS NOT ALLOWED // A MAXIMUM OF 3 SINGLE HOOKS PER LINE ARE ALLOWED!

All fishers can bring with him many rods for fishing, but he can only use one in a time.

Barbs: Obligation to crush all your barbs and it is true for all the fishing techniques (ministerial decree on the reform of the fishing in WALLOON REGION category “running waters”)

Fishing with worm and the pestering : Forbidden on all the zones.

Fishing with natural baits (worm, moth, alive minnow...) and PowerBait (scent):

- You have to hook the fish within 5 seconds after the hit!
- Authorized only on hook size n°2 on the zone "ARC (RAINBOW)" (obligation from the law).
- Authorized on the "FARIO (BROWN)" zone and recommended to use hooks size 4 or less.
- Forbidden on the zone "ruisseau (creek)" (Red Water, the Warchenne and the Rechterbach) to protect trout fry.

The use of the net is recommended.

Other obligation:

Respect the total and partial closure dates. Any member found to be fishing during a competition day will automatically have their annual card removed.

Do not cross fields, follow fences, particularly when hays begin to grow and watch to close barriers behind you!

Respect the property of others and the specific bans inherent to certain zones of fishing; do not penetrate into fields and paths of access with your vehicle.

Do not cross the Scouting camps in July and August, prefer the river or the opposite bank to walk.

Channel Engie:

- Fishing forbidden during its draining!
- Engie and the Company disclaims all liability in the event of an accident of somebody going fishing behind the barrier.

6) **CONTROL AND PENALTIES:**

The control is organized by the water bailiffs and the committee members on presentation of their card of control.

Any membership card is personal and authorizes only two rods maximum at the water's edge. **The membership card is mandatory before starting fishing !**

Every fisherman in attitude of fishing on the domain of the company must show the membership card of the company, the licence of the Walloon Region and his ID card in any requisition. He must also authorize any clothing visit. **Every trout kept and the card of capture pointed and dated shall be presented immediately during all control.**

Offences and penalties:

- **No membership card** : Every fisherman noticed in attitude of fishing on our beats, without the fishing licence of the company, must pay immediately the price of the two consecutive days card increased by a 25€ supplement. In the case of a second infringement, the amount is 120€.
- **Type 1 offences: the date of the day is not written on the control card before fishing/ unshackled barb/ use of lures with double or triple hooks/ trout kept with a dimension inferior to the regulation: warning (red seal)! If the membership card is already marked with 1 warning: removal of the membership card for 15 days.**
- **Type 2 offences: a kept trout is not written on the control card / not hook quickly after the hit: removal of the membership card for 15 days.**
- **Type 3 offences: possession of a brown trout /fishing with natural bait on "ruisseau" (creek) zone: immediate removal of the membership card for the entire season.**

7) **STOCKING FISH PLANNED FOR THE SEASON 2023 :**

for the opening season in March: 150kg rainbow and 50kg brown

in April: 150kg rainbow and 50kg brown

in May: 150kg rainbow and 50kg brown

in June: 150kg rainbow

in August: 150kg rainbow and 50kg brown.

During the courses: 50kg rainbow trout.

For a total of 1000kg of trout sized (200Kg brown/800Kg rainbow) and 40.000 trout fry "Amblève Native" during the season.

8) **DOMAINS OF FISHING :** (right and left banks are to be considered downstream)

The beats are divided into 3 separate zones according to the applicable regulations:

FARIO (BROWN) ZONE = Small Amblève = points 1 to 5 :

Fishing with natural bait is authorized.

Keeping a brown trout is prohibited !

ARC (RAINBOW) ZONE = Warche points 6 to 10 and Amblève points 11 to 17 :

Fishing with natural bait is authorized on hook number 2.

Keeping a brown trout is prohibited! Total protection !

RUISSEAU (CREEK) ZONE = Rechterbach/ Warchenne/ Red Water points 18 to 20 :

Fishing with natural bait is prohibited.

Keeping a brown trout is prohibited! Total protection !

A) **FARIO ZONE: The Little Amblève (upstream of its confluence with the Warche) :
9.080km of banks.**

• **Pont-Ligneuville : Pont Borgueuse Hé = access point 1: 1260m.**

. Beat: 630m on each bank downstream from the bridge.

. Parking: at the bridge.

. GPS: N50.36833°x E6.03552° .

• **Lasnenville quarry: Upstream quarry = access point 2: 2180m.**

. Beat: 785m left bank and 1395m right bank along the quarry to the Goffe Thérèse bridge.

. Parking: Point 2 or 3. Parking at the quarry and crossing the quarry on foot are prohibited!

. GPS point 2 : N50,37544435 x E6,01828298

• **Goffe Thérèse : Lasnenville bridge = access point 3 : 2000m.**

. Beat: 1000m on each bank downstream from the bridge.

. Parking: Point 3 (drive at a pace on the small access road!) or 4.

. GPS point 3: N50,37966175 x E6,00899430

- **Salle de Belvâ : Planche bridge = access point 4 : 3400m + 240m mill stream.**
 - . Beat: 1700m on each bank downstream from the bridge + 120m on each bank of the mill stream behind the hall.
 - . Parking: point 4 at the Bellevaux hall or point 5.
 - . GPS point 4: N50,38580573 x E6,01053451
- **Thioux : Confluence Warche-Ambième = access point 5 :**
 - . Beat : downstream limit of the Petite Ambième.
 - . Parking: point 5 at the Thioux bridge.
 - . GPS point 5: N50.38688° x E5.99147°

B) ARC (RAINBOW) ZONE: Warche and Ambième: 30,365km of banks.

1. The Warche at Malmedy: 12.785km of banks.

- **Bévercé : Nelles quarry = access point 6: 1080m**
 - . Beat: 900m right bank at the quarry.
180m left bank downstream of the quarry (in-water fishing only).
 - . Parking: at the entrance to the quarry.
 - . GPS: N50.44464° x E6.05173°.
- **Avenue de la Libération : Movie Mills = access point 7: 2405m**
 - . Beat: 1255m right bank and 1150m left bank downstream from the bridge on Avenue de la Libération to the Colruyt bridge.
 - . Parking: median strip at the My Hotel.
 - . GPS: N50.43536° x E6.02902°.
- **City entrance: Colruyt bridge = access point 8: 3750m**
 - . Beat: 1930m left bank and 1820m right bank from the Colruyt bridge to below the ravel bridge (snbc bridge).
 - . Access and parking: Easy access from the shore via the Colruyt bridge or the ravel bridge.
 - . GPS: N50.42582° x E6.02157°.
- **Downstream from Bridge of Warche (= access 9) – end of the zoning (= access 10): 4900m**
 - . Beat: 2300 m left bank since the Bridge of Warche in the entrance of Malmedy until downstream of the Rock of Falize. 2600m right bank idem.
 - . GPS: access 9 = N50.41739 ° x E5.99895 ° and access 10 = N50.41162 ° x E5.99612 °

Attention: from the Bridge of Warche on a length of 800m only fishing in the water is authorized on both banks. It is formally forbidden to pass by companies on foot and fishing from the bank.

- **NEW 2023 Thioux: Warche-Ambième confluence = access point 11: 650m**
 - . Beat: 410m right bank upstream of the Thioux bridge and 120m double bank downstream of the bridge.
 - . Parking: point 11 at the Thioux bridge.
 - . GPS point 11: N50.38688° x E5.99147°.

2. The Amblève downstream of the confluence with the Warche: 17,580km of banks.

- **NEW 2023 Thioux = access point 11 /**
Rock of Warche and Lodomez = no vehicle access: 6400m

- . Beat: 2950m left bank and 3450m right bank from the confluence with the Warche to the footbridge of Challes.

- . GPS: N50.38699 ° x E5.99136 °

Attention, the access to the river by the village of Lodomez and the vehicle parking on dirt tracks between fields overhanging Amblève are strictly forbidden at the risk of immediate retreat of the membership card. Our authorization of fishing depends on the respect for these conditions and for the respect of the farmers who work. When Scouting camps are set up, fishing is done in the water or on the right bank (wood); do not cross the camps please!

- . Zone A «Arimont»: 115m double bank at Chemin du Val. GPS: N50.427826° x E6.064154°.
- . Zone B «Winbomont»: 530m right bank upstream and downstream of the Carrefour shop.
GPS: N50.42130° x E6.04302°.
- . Zone C «town centre»: 1115m double bank from the bridge on Rue Joseph Werson to the confluence with the Warche. Fishing possible in the water only!
GPS : N50.42425° x E6.03633°.

3. Rechterbach to Pont-Ligneuville: 0,5km of banks

- . Beat: 500 m right bank from its confluence with the Amblève.
- . Access and parking lot: see little Amblève at Pont-Ligneuville = access 1 on the map.

For more details refer on maps following pages or on our web site. **On the ground, fishing zones are always bounded by signs of the company, blue plates carrying in white letters 'la Truite'.**

The "in-water fishing" areas only are marked with a red dotted line on the map and on the ground the company plates are completed with the words "dans l'eau".

TOTAL OF BEATS: 51,850 KM

FISHING IN PONDS : surfaces big pond=1ha and small pond=0,6ha.

ATTENTION: the emptying and cleaning of the ponds could take place from the end of September 2023. If this is the case, keep your 2023 membership card; it will entitle you to an annual card at half price in 2024 (by sending a photo card by mail)!

1) Opening date:

Trout, pike, perch and white fish: from 1st of June 2023 to 31st of January 2024.

In case of strong heat, of period of low-water mark or frost, the company reserves the right to close fishing the time required for a return to normal. Announcements will be made by Facebook and via sign in ponds.

2) Closures for stocking with fish, internship or competition:

- Saturday 26th of August: junior internship
- From Friday 10 of November to Saturday 18 of November included: stocking with pike and white fish, carnivorous internship and competition

3) Memberships cards:

The licence of the Walloon Region is not mandatory for fishing in ponds.

The membership card of the company is mandatory before starting fishing.

- Annual card : 55 €
- Annual card for a river member : 25 €
- Annual card JUNIOR river + pond (child born in 2008 and after) : 25 €
(15 euros from the second child of the same household)
- Card "two consecutive days": 20 euros.
- Daily card: 15 euros.

Watch out, with a daily or "two consecutive days" card, fishing for pike and perch is no-kill total! No resumption of fish!

Dispensations:

- During the competitions and special days organized by the Company, the membership card is not compulsory, a contribution to costs will be asked.
- very child less than 8-year-old accompanied by a member adult of the Company can go fishing white fish and trout (fishing for pike or perch authorized only if the child have a membership card) without membership card with one rod with a simple fishhook without barb or crushed barb.

4) Types of authorized fishing techniques and capture:

Generalities:

Whatever is the technique, all your barbs must be crushed at the risk of the immediate retreat of your membership card!

Maximum 2 fishing rods in action per fisherman. The maximum distance between rods is 2m.

Be careful, if you fish for pike (either natural fish, lure or fly), only one fishing rod in fishing action. Fishing for other fish must be stopped!

The net is mandatory!

It is asked not to hang around to take the picture of your catch. In case of high heat, this practice is strongly discouraged.

Fishing for white fish (roaches, tenches, breams, carps, sturgeons):

- No kill any species and immediate release of the fish in the water.
- BOAT FOR FEEDING AND TO PUT LINE ARE FORBIDDEN.
- Forbidden hamper.
- The 2 Lines must be positioned in parallel, no cross are authorized by respect for your neighbors.
- Feeding limited to 2kg a day and by fisherman.
- **Exception: it is allowed to keep 5 roach by fisherman per day in a box when fishing with dead fish or live fish AND ONLY FOR USE ON THE SITE. TRANSPORT OF THE CATCH TO ANOTHER FISHING PLACE = PROHIBITED!**

Fishing for trout and salmon:

- Quota of 4 trout a day and by fisherman. Every fish kept must be pointed with the date of the day at the card of taking. At the 4th fish kept; it is necessary to stop fishing!
- Hamper authorized.

Fishing for pike and perch:

- **Quota of fish kept:** it is authorized to keep a pike of a size between 70cm and 80cm or 2 perch of min. 30cm a year and by fisherman. He is compulsory to note in the back of the membership card the size of the fish kept next to the date of the day and to make validated your kept by one of the control or a member of the committee of the company. Once the fish kept your day of fishing is done! Remark: the holders of a daily card or two consecutive days can't keep pike or perch!!!
- forbidden hamper.
- **1 rod max by fisherman.**
- Fishhooks without barbs compulsory including for triple hook of the lures (Max two triples).
- **Fishing with natural fish: authorized only with one simple hook without barb. You have to hook the fish within 10 seconds after the hit! Thus, the fisherman must be next to his rod. In case of take beyond gills, it's compulsory to cut the line or the cable at the level of the lips of the fish: it's prohibited to try to take your hook back! Only 5 roaches or 10 crucian carps are authorized in your box "goujonnière".**
- **It's forbidden to fish with dead fish static!**
- **Pliers to lift pikes outside the water are forbidden. Use the net.**

5) Controls and penalties:

- The controls are made by the guards, the committee members of the Company and by the agent of the city of Stavelot.
- During the control, the fisherman has to present his ID card and his membership card. A checking of the fishing basket can be made.
- Every person in action of fishing without a membership card must pay immediately the price of the **daily membership card increased by a 15€ fine. In case of a second infringement, the fine amounts will be 100€.**

- Fishing is authorized for half an hour before the sunrise till half an hour after the sunset.
- Are forbidden: the use of the blunder, pliers to lift pikes outside the water, the boats for feeding and the feeding with hemp or with blood.

Remark : ponds are a conservation area, thus take great care of the place, flora and fauna which surround you. Our authorization of fishing depends on your good behavior! **Zero tolerance will be applied for tipped or thread abandoned at the water's edge; think of the birds please!**

Any noticed breach is liable to the immediate retreat of your fishing card, to a suspension of the membership and to a definitive exclusion of the Company.

6) Municipal bans any time:

Any breach of the municipal regulation is liable to a fine and pulled automatically the immediate retreat of the membership card.

- TAKE BACK AND TRANSPORT LIVE FISH FROM THE PONDS. Infringement = immediate withdrawal of membership card!
- Night fishing
- Fishing outside the beats which mean in the zones of reeds or to crush them for fishing and in the upper pond.
- Make a fire on the ground.
- Use a boat
- Leave your waste or put them down in the wooden tubs at the level of brooks.
- Go fishing under the ice and consequently as soon as the pond is frozen in whole or in part.
- Go swimming
- To intervene on the water level of the monk of water outlet

It is also asked to respect the walkers and the local residents. Ponds are a public site where each must be able to find his approval.

Parking lot: it is asked not to park along the road around ponds (parking forbidden); but to use the parking lot in the entrance of the ponds. The fishermen have no priority on vehicles around ponds!
